## THE COACHING SURGERY

PEOPLE>PURPOSE>PERFORMANCE

*Exceptional Results in a Cost Effective and Timely Manner*

### OVERVIEW

In today's environment where time is at a premium and budgets are tight, Green Sea Coaching is pleased to announce its new Coaching Surgery concept - a strategy for you to get the best from your most valuable asset - your key employees.

Our Coaching Surgeries provide *point of impact coaching* and are designed with time and budget constraints in mind.

ORGANIZATIONAL BENEFITS	INDIVIDUAL BENEFITS
<ul style="list-style-type: none"><li>• Cost effective investment in employee development</li><li>• Enhanced Leadership and Management capabilities</li><li>• Improved individual, team and organizational performance</li><li>• Increase in shared knowledge, skills and learning</li><li>• Development of emerging talent</li><li>• Creation of a coaching culture</li><li>• Empowered workforce</li></ul>	<ul style="list-style-type: none"><li>• Improved business performance and effectiveness</li><li>• Attainment of professional goals</li><li>• Development of Leadership &amp; Management skills</li><li>• Capacity to manage &amp; handle change in the workplace</li><li>• Successful career transitions</li><li>• Enhanced communication skills</li><li>• Improved decision making</li><li>• Self-understanding and ongoing personal development</li></ul>

### HOW IT WORKS

Green Sea will hold a one day Coaching Surgery at your offices, organized on a pre-arranged basis. Prior to the coaching each participant will receive a client profile form to be completed and returned ahead of their individual coaching session.
